Screw Compressor Exchange Program

SAGE specializes in the remanufacturing of screw compressors and has become the leading supplier in the industry. Our screw compressor program helps you minimize down time and get the most out of your screw compressor package. An experienced field service technician will arrive on your site to install a remanufactured compressor and remove your existing one in exchange. Here are some of our other benefits:

- 🔧 Field and shop compressor overhaul
 - ⚙️ Frick
 - ⚙️ Sullair
 - ⚙️ Mycom
 - ⚙️ Howden
 - ⚙️ Ariel
- 🔧 A range of models and sizes
- 🔧 Significant quantities in stock
- 🔧 Refrigeration compression maintenance
- 🔧 Factory warranty support
- 🔧 In-house applications and engineering support
- 🔧 Compression optimization
- 🔧 Process plant troubleshooting
- 🔧 Operator support and training
- 🔧 Screw and reciprocating compressor overhaul
- 🔧 Other exchange component programs

SAGE is an OEM distributor for Frick and Sullair with direct access to technical factory support. Our team consists of certified technicians and qualified mechanics that ensure the highest level of quality.
